1601-2000	0	0	0,00007	0	0	0,01500	0,01700
≥2001						0,03000	

*AC: Agreed Capacity **It refers ONLY to Night 24H, Electricity Home Night and Simple.

***These charges apply for consumption from 1/4/2020 onwards. In the case of a mixed period the charges will be applied proportionally for the days falling within each period.

In case the 4 month energy consumption exceeds the limits of consumption of a certain scale at the categories of residential use XT, only the exceeding consumption will be charged based on the charges of the next in line scale.
